

# nohub (live) tech rider

**height: ~0.9 - 1m**

## 1. Table Requirements

- Minimum size: 200 cm x 100 cm (standard stage podium)
- Maximum height: 100 cm
- Important: The table must be completely empty upon arrival

## 2. Equipment & Power

- Audio: 1x stereo input on the DJ mixer (Allen & Heath preferred)
- Power: 3x AC 220–240V power outlets

## 3. Stage Placement

- Preferred setup: On the dance floor in front of the DJ booth (a smaller table of ~150 cm x 60 cm is acceptable in this case)
- Alternative setup: If front placement is not possible, please ensure a visually accessible position where the audience can clearly see the performance
- Performer brings a long cable to connect to the mixer
